

Supply Chain Mavens Inc.

Empowering People, Productivity & Profit

In conjunction with Quality Management Solutions, Inc. Presents

The all new CPIM Part 1 is available via Virtual Coaching Delivery!

Scope: Introducing Supply Chain concepts and emphasizing basic terminology, this first of two CPIM modules traces the complete flow of inbound materials from suppliers--through planning processes, transformation operations, and materiel management--and distribution of end items to customers. Get a comprehensive overview of successful operations strategies with a solid understanding of interfaces and cost tradeoffs to optimize customer satisfaction and supply chain performance.

Who Should Attend? Industry newcomers, logistics professionals, and those seeking to advance into management roles should take this course. Anyone active in daily management of production planning, purchasing, logistics, or operations will bring home proven techniques to eliminate non-value-added activities, reduce costs, shorten cycle times, and improve Customer Service.

Schedule: This 32-hour **COACHING** program is being offered in 2, 4, or 8-hour sessions per week format, based on your convenience. Jerry Kilty, CPIM-F, CIRM, CSCP, CLTD is the coach.
